The end of term is upon us. The staff are looking forward to a break but will be planning during the next two weeks for the return of the children. Enjoy some quality time with your children.

Staffing changes;
It is with real regret that we announce Miss Amanda is taking next term off for a well deserved rest and to spend time with her family - she will be really missed. On a brighter note it is with pleasure that we announce the return of Miss Ros to PPAS after nearly two years working in Adelaide.

It is also with regret that we inform you that Auntie Claudine has not been able to take up her appointment to PPAS. This opens the door for someone else though. We are currently advertising through DECD for a new ACEO.

We have had some really good attendance in the JP class this term. It is fantastic that most of the students are eager to come to school and are making a lot of effort to get here on time. Being at school and on time every day is vital to your child’s learning so let’s carry this on to next term.

A reminder that tomorrow is our Celebration of Learning Assembly. Please come along and enjoy seeing some of what your children have been doing. The children love it when their families come along to see their assembly.

Once again enjoy the two week break and we look forward to seeing all the children back again on the 28th of April

Please do this for the sake of your dog and yourselves. Male dogs are a lot nicer once de-sexed and stop your female dogs having litter after litter of unwanted puppies. Puppies are not good giveaways and cost a lot to feed/look after. Remember puppies are NOT toys!
